

SAFETY PARTNERSHIP – CULTURAL SURVEY

DECEMBER MONTHLY SAFETY TOPIC

MONTHLY SAFETY TOPIC: This Safety Partnership Safety Culture survey is the December Monthly Safety Topic and should only take about 15 minutes to complete.

PURPOSE OF THE SURVEY:

The original survey was one of the Action Items identified at the Safety Partnership Feedback session held in February 2012. The results of that survey have assisted local building trades, contractors and owner-clients (plants) to help identify opportunities for improvement with the overall goal of creating and sustaining an injury-free workplace.

More than 2500 workers from a broad cross section of these three stakeholders completed the survey in 2012 and 2013.

After three years, it's time to collect more data to see if anything has changed with our local safety culture.

SURVEY BENEFITS:

By participating in this survey project, you have the chance to offer insight into the usefulness of local safety practices at your workplace and results may be used to create more effective safety programs in the future.

Results of the first survey have been used in a number of training courses. Individual plants, contractors and building trades have used the survey results to identify and act on opportunities for improvement in their own organizations.

INSTRUCTIONS: Please read the following before completing the survey:

- 1) Do not put your name on any part of the survey.
- 2) **The demographic questions are extremely important.** They are necessary to get the most useful information from the survey when analyzing the results. Please fill out this section completely!
- 3) Answer all the questions as completely and honestly as possible. If you are not comfortable answering a particular question, leave it blank and move to the next question
- 4) Return your survey to your supervisor at the end of the session.

SUPERVISOR NOTE:

- Please collect the surveys and return them in a large envelope or other suitable container to the IEC at 1489 London Road, Sarnia N7S 1P6 between 7AM and 4PM Monday thru Friday
- Please put your company name on the envelope or container
- If you would like IEC staff to pick them up, please contact Peter Stock at pstock@iecpartnership.com or telephone 519-337-1716 to make these arrangements

If there are any questions, contact **Peter Stock** at pstock@iecpartnership.com or **Michael Manz** at mmanz@iecpartnership.com.

Thanks for your help with this project!
