

TEST QUESTIONS: SLIPS, TRIPS & FALLS / HOUSEKEEPING

Your Name:		Date:	
Company:		IEC #:	

The *BSO Plus Safety Topic* is a review designed from the BSO Plus agenda. This safety topic is your way to stay current on the safety information over the 3 years between BSO Plus and BSR.

Please circle the correct answer for each question.

- Falls at same level rarely cause serious injuries.**
 - True
 - False
- Which of the following actions will help minimize slips, trips, and falls? (Circle all that apply)**
 - Pay attention to your footing
 - Wear appropriate footwear
 - Clean up after yourself throughout the day
 - Do not rush
- Employers and supervisors can help prevent slips, trips, and falls by:**
 - Developing a housekeeping plan
 - Give safety talks on housekeeping
 - Filling in low-lying areas with gravel to reduce the accumulation of water, ice, and mud
 - All of the above
- If you come across a housekeeping issue that you are unable to correct, you should:**
 - Cover the problem with some plywood
 - Report the problem to your supervisor
 - Avoid the area
 - Leave the problem for somebody else to fix
- Housekeeping, though encouraged, is optional.**
 - True
 - False
